Earth Divination, Earth Magic—John Michael Greer 2019-04-15 Here is a complete guide to the lost art of geomancy - one of the major divination systems that are part of the Western magical tradition. Geomancy is simple, quick, and direct - anyone can get answers to any question in a matter of moments by learning how to read the patterns revealed by the 16 symbolic figures formed of single and double points. During the Middle Ages and Renaissance, geomancy was used by everyone from popes to peasants because it provided practical, useful results. Often mistaken for feng shui or ley lines, or hidden within poorly explained tables and charts, geomancy has become something of a lost art - until now. Earth Divination, Earth Magic provides a fascinating look into the history, theory, and practice of geomancy, including a thorough set of instructions for both casting and interpreting a chart for yourself, or a friend.

The Art and Practice of Geomancy—John Michael Greer 2009-03-01 Have you ever lost an important object? Are you taking on a new job? Looking for buried treasure? The Art and Practice of Geomancy teaches readers how to divine the answers to life's everyday questions about health, luck, new jobs, and love, as well as those less mundane tasks such as finding buried treasure, predicting the weather, being released from prison, and identifying secret enemies. Greer delivers to readers an ancient system of divination in an easy-to-use form requiring little more than a pen and a piece of paper to obtain answers to questions. Based on the resulting pattern, Geomancy for Beginners also includes simple instructions on how to craft your own geomantic tools. With Webster's sample readings and diagrams, it's easy to begin practicing this simple, quick, and direct - anyone can get answers to any question in a matter of moments by learning how to read the patterns revealed by the 16 symbolic figures formed of single and double points. Earth Power—Scott Cunningham 1983 The ways of magic are revealed in nature . . . The secrets are written in meandering streams and drifting clouds, whispered by the roaring ocean and cooling breeze, echoed through caves and rocks and forests. When you draw a heart in the sand, call on the four winds for assistance, or ask the rain to wash away a bad habit, you are performing earth magic. By working in harmony with nature, we can tap into the energies in circulation within and around us. This book explains the modern method of geomancy using just a writing tool and a piece of paper to obtain answers to questions. Based on the resulting pattern, Geomancy for Beginners also includes simple instructions on how to craft your own geomantic tools. Mystery Teachings from the Living Earth—John Michael Greer 2012-04-01 The authentic teachings of the mystery schools offer a profoundly different way of making sense of the universe and our place in it. In Mystery Teachings from the Living Earth, ecologist and Druid initiate John Michael Greer offers an introduction to the core teachings of the mysteries through the mirror of the natural world. Using examples from nature as a touchstone, Greer takes readers on a journey into the seven laws of the mystery traditions: the Law of Wholeness, the Law of Flow, the Law of Balance, the Law of Limitlessness, the Law of Cause, and the Law of Permanence. The result is a new system of divination in an easy-to-use form requiring little more than a pen and a piece of paper to obtain answers to questions. Based on the resulting pattern, Geomancy for Beginners also includes simple instructions on how to craft your own geomantic tools. Geomancy for Beginners—Richard Webster 2010-12-08 Geomancy, a three-thousand-year-old form of earth divination, can answer your questions about relationships, career, money, and all aspects of life. In this comprehensive, easy-to-follow introduction to the topic, bestselling author Richard Webster presents eight different methods you can try, from astrological geomancy to Arthurian divination to a version attributed to Napoleon. Each method is based on making a random number of marks, then interpreting the message based on the resulting pattern. Geomancy for Beginners also includes simple instructions on how to craft your own geomantic tools. Familiar Spirits—Donald Tyson 2004 For centuries, familiars have assumed
many forms—the heavenly lover of the shaman, the wise imp of the witch, and the elemental companion of the theurgist. But the time-honored practice of summoning a magical assistant has been mostly forsaken due to the false perception that it is both difficult and dangerous. Now, renowned occultist Donald Tyson shares his revolutionary system for safely and successfully summoning, directing, and dismissing a familiar. Accessible to dedicated beginners, these techniques do not require expertise in formal ritual, astrology, or the Kabalah. Revealed here for the first time is Tyson’s unique system for generating spirit sigils based on a set of symbols called Power Glyphs. Familiars summoned by this method become valuable assistants who will do everything in their power to fulfill your goals.

The Druid Magic Handbook—John Michael Greer 2008-02-01 The first and only Druidic book of spells, rituals, and practice. The Druid Magic Handbook is the first manual of Druidic magical practice ever, replete with spell work and rituals. Ancient Magic: A Practitioner’s Guide to the Supernatural in Greece and Rome—Philip Matyszak 2019-08-20 An accessible historical exploration of the methods and motivations behind using magic in ancient Greece and Rome. In the ancient world, magic was everywhere. The supernatural abounded, turning flowers into fruit and caterpillars into butterflies. In a time before scientists studied weather patterns and figured out what caused the Earth’s most mysterious phenomena, it was magic that packed a cloud full of energy until it exploded with thunderbolts. It was everyday magic, but it was still magical. In Ancient Magic, author Philip Matyszak ushers readers into that world, showing how ancient Greeks and Romans concocted love potions and cast curses, how they talked to the dead and protected themselves from evil spirits. He takes readers to a world where gods interacted with humans and where people could not only talk to spirits and deities, but could themselves become divine. Ancient Magic presents us with a new understanding of the role of magic, combining a classical historiography with a practical how-to guide. Using a wide array of sources and lavish illustrations, this book offers an engaging and accessible way into the supernatural for all.

Celtic Golden Dawn—John Michael Greer 2013-07-01 "Take the next step... Clear away the outdated clutter that has obscured the power and beauty of the Golden Dawn magical system and feel for yourself the difference these techniques can make in your life. Explore dozens of new rituals developed from the fragments and core documents of the greatest Magical Order in the Western world: the Golden Dawn. The techniques described herein extend understanding. John Michael Greer writes in a lucid and entertaining manner, revealing previously unknown aspects of the magical rites of the Golden Dawn. Warm and engaging, Circles of Power revitalizes Western magic by removing the unnecessary rhetoric and obscure jargon. Everything is plainly and simply explained and all the information you need to begin working within this magical system is presented in a clear and concise manner. Filled with the fruits of personal experience and insights derived from in-depth research, Circles of Power is the next best thing to actually joining a Hermetic lodge." –

The Celtic Golden Dawn—John Michael Greer 2013-02-08 A century ago, Celtic groups descending from the famed Hermetic Order of the Golden Dawn pioneered a fascinating form of ceremonial magic invoking Pagan Celtic powers instead of relying on the more commonly used Judeo-Christian names and symbols. Those groups disappeared many decades ago, and their teachings were lost. But today, their legacy has been reborn. Respected occult author and Grand Archdruid John Michael Greer has re-created a complete magical system based on the Celtic Golden Dawn traditions. This new book provides students with a complete curriculum of Druidical magic and occult wisdom, including training in ceremonial magic, meditation, pathworking, divination, geomancy, and herbal alchemy, allowing self-initiation into the three degrees of Ovate, Bard, and Druid. Structured to resemble a long-lost correspondence course, The Celtic Golden Dawn presents a series of knowledge lectures, meditations, and rituals leading to mastery of the most important magical techniques.

By Names and Images—Pererin Wildoak 2012-03 The Golden Dawn (GD) system of magic is the main source of the esoteric and magical wisdom and techniques practiced in the West today. While the rituals and bare teachings of the tradition have been published for sixty years, the inner workings and esoteric keys that empower those rituals have largely remained unpublished or unexplored in contemporary works. By Names and Images remedies this lack by providing detailed and clear instructions for the visualisations, spiritual connections and energetic practices required for every major GD practice and ritual, as well as several unpublished techniques. Focusing on the meanings and use of sacred names and practical techniques of visualisation, the book thoroughly explores meditation and divination, purification ritual, invocation and evocation, grades of initiation, and direct experience of the inner realms. Also covered in detail is the GD Kabalah and its use as a magical framework. While the book is sufficiently practical and clearly explained to be of huge benefit to a newcomer to magic, its primary aim is to allow people already practicing the Golden Dawn system to do so more effectively, and to be touched by the amazing spiritual blessings the rituals offer.

Beyond the Narratives—John Michael Greer 2020-06-22 In 2003 John Michael Greer became the seventh Grand Archdruid of the Ancient Order of Druids in America (AODA), an initiatory organization teaching Celtic nature spirituality which was founded in 1912. The outcome was that his writings began to stray into territory very far from the Hermetic occult philosophy that had been the previous focus of his career. The essays included in this volume chronicle some of the themes he explored as a result: Druidry, Jungian psychology, politics, history, and the shape of the future in a society in decline.
