Painting with Words, Writing with Pictures-Franco Ricci 2001-01-01 Ricci's book ranges widely over Calvino's oeuvre to illustrate the accuracy of the idea articulated by Calvino himself that a visual image lies at the origin of all his narrative. The book's main theme is the difficult interface between word and image that Calvino struggled with throughout his career, the act of perception that rendered visible that which was invisible and transformed what was seen into what is read. Ricci holds that Calvino's narrative has an 'imagocentric' program and that his literary strategy is 'ekphrastic' i.e. it is characterized by literary description of visual representation, real or imaginary. The book is interdisciplinary in nature and will interest not only scholars of literature but also those who work with the visual arts and with information technology.

to this timeless question, award winning documentary filmmaker, Lois Farfel Stark, takes the reader on a remarkable journey from tribal ceremonies in Liberia and the pyramids in Egypt, to the gravity-defying architecture of modern China. Drawing on her experience as a global explorer, Stark unveils a crucial, hidden key to understanding the universe: Shape itself. The Telling Image is a stunning synthesis of civilization’s changing mindsets, a brilliantly original perspective urging you to re-envision history not as a story of kings and wars but through the lens of shape. In this sweeping tour through time, Stark takes us from migratory humans, who imitated a web in round-thatched huts and stone circles, to the urban ladder of pyramids and skyscrapers, organized by hierarchy and measurements, to today’s world of interconnected networks. In The Telling Image Stark reveals how buildings, behaviors, and beliefs reflect humans’ search for pattern and meaning. We can read the past and glimpse the future by watching when shapes shift. If Your Monster Won’t Go To Bed-Denise Vega 2017-03-14 For fans of How to Babysit a Grandpa comes a tongue-in-cheek story that is a step-by-step manual for putting your monster to bed. If you have a monster that won’t go to bed, don’t bother asking your parents to help. They know a lot about putting kids to bed, but nothing about putting monsters to bed. It’s not their fault; they’re just not good at it. Read this book instead. It will tell you what to feed your monster before bed (it’s not warm milk), and what to sing to your monster (it’s not a soothing lullaby), and what to read to your monster to send him off to dreamland in no time (the scarier, the better). Just make sure you don’t get too good at putting monsters to bed—or you might have a BIG problem on your hands! I Hope They Serve Beer In Hell—Tucker Max 2009-09-01 My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I am completely baffled as to how you can congratulate yourself for being a womanizer and a raging drunk, or think anyone cares about an idiot like you. Do you really think that exploiting the insecurities of others while getting wasted is a legitimate thing to offer?" "Thank you, thank you, thank you--for sharing with us your wonderful tales of drunken revelry, for teaching me what it means to be a man, for just existing so I know that there is another option; I too can say ‘screw the system’ and be myself and have fun. My life truly began when I finished reading your stories. Now, when faced with a quandary about what course of action I should take, I just ask myself, ‘What Would Tucker Do?’--and I do it, and I am a better man for it." "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don’t believe in God anymore. No just God would allow someone like you to exist." "I’ll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You’re an artist of the highest order and a true humanitarian to boot. I’m in both shock and awe at how much I want to be you." "You are the coolest person I can even imagine existing. If you slept with my girlfriend, it’d make me love her more.”
